

## Clearly

Sometimes the best is *clearly* as the way you see yourself.

Aesthetic plastic surgery and laser vision correction are deeply personal lifestyle choices. They combine advanced technological precision with artistic integrity to offer you a new level of confidence you may only have dreamed about.

The moment you enter Spivack Vision Center or The Clinic for Plastic Surgery, you realize you have made the right decision. You see clearly why 5280 has repeatedly recognized Dr. John A. Grossman and Dr. Lawrence D. Spivack as Denver's top doctors.

You want to feel better about the way you see yourself and the way you see others. Choose wisely. Choose the doctors voted by their peers as clearly the best.
