**GRAND JUNCTION, Colo. (KKCO)--** Mind Springs Health Broke ground on a new women's recovery center in Clifton.

The center will focus on women on the Western Slope who have young children and a history of Trauma and abuse.

The new center will also be home to a program called "Circle," which will help both men and women with substance abuse and mental illness.

"I found my voice. Before coming to women's recovery center I didn't have a voice. I was going from one box to another," says Client Women's Recovery Center Brittany Ward.

The center is set to be complete in Summer of 2020.
